

Possability People, Covid-19 (Coronavirus) Service Update

21 May 2020

Possability People is trying to run as close to normal a service as possible while keeping all of us safe. Therefore, many of our services will be offered by telephone, virtual meeting apps or by email for the foreseeable future.

We know that for lots of us, the social contact that coming into an office or service provides is incredibly important, helping us to feel we aren't on our own. Where we can't offer our usual service or meeting, we will do our best to find alternatives.

Because the current situation is changing quickly, these plans are likely to change. Look out for updates on our website, Facebook and Twitter feeds. (links below).

We are also developing some new pages on our website where the latest information we have will be posted. Visit <https://www.possabilitypeople.org.uk/coronavirus/>

The Advice Centre
